View All Person Info

Person ID	Person Name	Email	Password	Phone Number	Operations
6	Q	Q@gmail.com	123456	1811111777	Delete Modify
7	W	w@gmail.com	123456	2222222222	Delete Modify

The screenshot displays the Oracle SQL Developer environment. The top menu bar includes File, Edit, View, Query, Database, Server, Tools, Scripting, and Help. The left sidebar shows a tree view of the database schema, with 'person_info' selected under 'nphsbase0000'. The main window shows a SQL query: `SELECT * FROM nphsbase0000.person_info`. The 'Results' tab is active, displaying a table with columns: `person_id`, `email`, `phone`, `person_name`, and `password`. The table contains three rows of data. The bottom status bar indicates the query was executed on 07/26/22, returning 3 rows in 0.000 seconds.

person_id	email	phone	person_name	password
1	Originalname	11111111777	Q	123456
2	originalname	222222222	W	123456
3	2222	2222		2222
